Percent satisfied with school-home relations	98.2%	88.7%	88.3%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Crowders Creek Elementary School, we strive each day to be a learning community that promotes successful achievement for our students. In our PK-5 elementary school of 1070 students, we encourage students to seek daily opportunities to learn and grow academically, socially, and emotionally. Integration across the curriculum areas allows students to experience the real world in the school setting. School activities such as chorus, TV news crew, Lego Robotics club, and safety patrol provide students with opportunities to use knowledge meaningfully.

Our school has been the recipient of 10 consecutive Palmetto Gold Awards. Our faculty focus is on appropriate instruction which is differentiated to meet varying student needs and abilities. Our teachers participate in district-wide collaboration sessions, school sessions on the Common Core State Standards, and other professional development specific to teacher needs. School funds and PTA funds are used to provide all necessary materials so that teachers have the necessary tools to target each child's academic needs. In addition to the instruction in the regular classroom, daily academic assistance and an after school tutoring program are available to help students continue to thrive academically. Reading Recovery is offered, and this year a second Reading Recovery teacher was added. In addition to gifted and talented classes in grades 3-5, the Accelerated Reader and Math Superstars programs provide opportunities to enrich student learning. Technology upgrades include the purchase of Apple iPads and document cameras for the classrooms.

Students are encouraged to make healthy life choices.

The PTA fund raiser is a fun run for all students. In addition to weekly physical education classes and daily exercise breaks, after school options include speed stacking, Girls on the Run, and Let Me Run.

Students are allowed opportunities to demonstrate knowledge gained. Data is reviewed to monitor student growth throughout their academic careers. Students show their learning to parents and the community through a family math night, a kids' art fair, and classroom musical performances.

There is open communication with parents to focus on areas of strength as well as improvement. Local churches, civic groups, and community members provide support through donations and time spent mentoring students. Volunteers engage in tasks such as assisting teachers and tutoring students. Parents and the community are involved in Veterans Day, field day, and the storytelling festival. Teachers, school counselors, and parents collaborate in ways to foster healthy student growth and development through character lessons and activities as well as parent/family workshops and Parent University days. A dedicated and involved PTA and SIC continue to provide leadership and vision in the quest for excellence at our school. At Crowders Creek, the faculty, staff, and community engage our students so that young minds soar!

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.
